This Order, including any documents incorporated herein by express reference, is intended to be a complete integration and there are no prior or contemporaneous different or additional agreements pertaining to the subject matter of this Order.

b. Acceptance by Seller is expressly limited to the terms of this offer. Seller's acceptance of ALLTEC's offer must be by commencement of performance or by seasonable written acknowledgement of this Order, but where Seller's acceptance is by commencement of performance, ALLTEC reserves the right to treat its offer as having lapsed before acceptance unless ALLTEC is notified of Seller's acceptance within a reasonable time. Any different or additional terms of Seller's acknowledgement are hereby objected to and rejected by ALLTEC regardless of the form of such acknowledgement. Upon Seller's acceptance, the Order shall be the complete and exclusive statement of the terms of the resulting Contract.

c. The Contract (which term is intended to include Purchase Order [P.O.] shall not be modified by or interpreted by reference to any course of dealing or usage of trade and shall not be modified by any course of performance. No modification shall bind ALLTEC unless signed by an authorized ALLTEC Purchasing Representative.

d. If, in connection with this Contract, Seller is represented (directly or indirectly) by any former ALLTEC Procurement or Procurement decision-making employee, whose termination from ALLTEC is less than three (3) years prior to the date of this Contract; then this Contract is voidable in the sole discretion of ALLTEC.

e. All documentation, notices, and oral communications concerning this Purchase Order/Contract shall use the English language. In the event that English communications are translated into another language for Seller's convenience, the meaning conveyed by the English version of the communication shall govern this Purchase Order/Contract and the Parties' performance thereunder.

a. All goods (which term throughout this Contract includes, without limitation, processes, technical information, computer software, raw materials, components, intermediate assemblies, end products and, where applicable, services to be performed hereunder) shall be subject to inspection and test at all times and places, including the period of manufacture, by ALLTEC, and also the Government if this is an order that is placed under a Government contract. Inspectors shall have access to all areas on the premises of the Seller or of Seller's subcontractors in which work on this Contract is being performed. If this Contract calls for the delivery of goods for installation on aircraft, the right of inspection and test shall extend to representatives of the Federal Aviation Administration, and, if nondomestic, equivalent foreign government agencies.

b. Seller and Seller's subcontractors shall provide all reasonable facilities for the safety and convenience of inspectors at no additional cost. Seller shall furnish to inspectors all information and data as may be reasonably required to perform their inspection. All goods to be delivered hereunder shall be subject to final inspection, test and acceptance by ALLTEC at destination, notwithstanding any payment or inspection at source. ALLTEC shall accept or give notice of rejection of goods delivered hereunder within a reasonable time after receipt of such goods. Acceptance by ALLTEC shall not waive any rights that ALLTEC might otherwise have at law or by express reservation in this Contract with respect to any nonconformity.

c. Any tender of goods which is nonconforming as to the quality or quantity or the delivery schedule shall constitute a breach of this Contract and ALLTEC shall have the absolute right to reject such goods, in whole or in part, and notify Seller thereof. In the event of such a tender, ALLTEC shall be entitled to all remedies as provided by law, and in addition thereto shall have the right to do any or all of the following: (1) to hold such nonconforming goods for a reasonable period at Seller's risk and expense pending a determination to accept or reject any or all thereof; (2) to return such nonconforming goods to Seller at ALLTEC's election and at Seller's risk and expense for replacement or correction; (3) to accept such nonconforming goods subject to an equitable price reduction; (4) to replace or correct such nonconforming goods and charge to Seller the cost occasioned to ALLTEC thereby; (5) to recover by offset or otherwise any and all expenses, costs, price reductions, and damages paid, incurred, or suffered by ALLTEC as a result of such holding, return, replacement, correction, reductions, or rejections of nonconforming goods, or (6) to terminate this Contract as provided in Article 9 hereof.

### **3. QUALITY CONTROL AND CONTRACTUAL COMPLIANCE**

a. Seller shall provide and maintain a quality control system acceptable to ALLTEC for the goods and services purchased under this Contract, and Seller shall permit ALLTEC to review procedures, practices, processes and related documents to determine such acceptability. It is ALLTEC's policy to survey all sellers periodically to ascertain compliance with ALLTEC and U.S. Government requirements which have been made part of this Contract. Seller agrees to provide access to its premises for, and to cooperate with, ALLTEC in the conduct of those surveys.

b. It shall be Seller's continuing obligation subsequent to delivery of goods for installation on aircraft to advise ALLTEC's Purchasing Representative in the event that Seller discovers any quality deficiency in the delivered goods with respect to approved specifications. Seller must provide written notice within twenty-four (24) hours of discovery.

c. Foreign procurement of metallic raw materials required to conform to federal, military, or industrial specifications shall be procured per the specific requirements.

### **4. WARRANTY**

Seller warrants that all goods and services furnished hereunder will conform to the requirements of this Contract (including all descriptions, specifications and drawings made a part of this Contract), and such goods will be merchantable, fit for their intended purposes, free from all defects in materials and workmanship and to the extent not manufactured pursuant to detailed designs furnished by ALLTEC, free from defects in design. ALLTEC's approval of designs or specifications furnished by Seller shall not relieve Seller of its obligations under this warranty.

c. In addition to its other remedies, ALLTEC may, at Seller's expense, require prompt correction or replacement of any goods and services failing to meet Seller's warranties herein. Goods and services corrected or replaced by Seller shall be subject to all of the provisions of this Contract in the manner and to the extent as goods and services originally furnished hereunder.

d. All warranties, including special warranties specified elsewhere herein, shall inure to ALLTEC, its successors, assigns, customers and users of its products.

## **5. DELIVERY**

a. Seller shall strictly adhere to the delivery and completion schedules specified in this Contract. If, at any time, Seller believes it may be unable to comply with the delivery or completion schedules, Seller shall immediately notify ALLTEC's Purchasing Representative in writing of the probable length of any anticipated delay and the reasons for it, and shall continue to notify ALLTEC's Purchasing Representative of any material change in the situation. In the event of such notification or of an actual failure by Seller to comply with the delivery or completion schedules, ALLTEC may, in addition to all other remedies, require Seller, at Seller's expense, to ship goods via air freight or expedited routing to avoid or minimize delay.

b. In the event of early delivery, ALLTEC may store goods at Seller's expense, unless delivery in advance of the contractual commitment date is expressly authorized within this Contract.

c. The quantities specified for delivery on this Purchase Order/contract are the only quantities required by ALLTEC. Therefore, if Seller delivers quantities in excess of those specified in this Purchase Order/contract, ALLTEC shall not be required to make any payment for the excess goods and, at ALLTEC's election, may keep or return the excess goods at Seller's risk and expense.

If any such change causes an increase or decrease in the cost of, or the time required for, performance of this Contract, an equitable adjustment shall be made in the contract price or delivery schedule or both, and the Contract shall be modified in writing accordingly. Any claim by Seller for adjustment under this Article must be asserted in writing to ALLTEC's Purchasing Representative not later than thirty (30) days after the date of receipt by Seller of the written change authorization, or within such extension as ALLTEC may grant in writing. ALLTEC may, in its sole discretion, consider any such claim regardless of when asserted. Pending any such adjustment, Seller will diligently proceed with the Contract as modified. Where the cost of property made excess or obsolete as a result of a change is included in Seller's claim for adjustment, ALLTEC shall have the right to direct the manner of disposition of such property. ALLTEC shall have the right to examine any of Seller's pertinent books and records for the purpose of verifying Seller's claim.

b. Seller's claim for equitable adjustment shall be in the form of a complete change proposal fully supported by factual information and shall separately identify all increases and all decreases in costs. The claim shall be submitted by a senior company official in a signed writing that contains the following certification statement: "I certify that the claim is made in good faith, that the supporting data are accurate and complete to the best of my knowledge and belief; and that the amount requested accurately reflects the contract adjustment for which ( Seller) believes ALLTEC is liable."

## **7. INVOICE AND PAYMENT**

c. Payment will be deemed to have been made when deposited in the mail.

## **8. TERMINATION FOR CONVENIENCE**

ALLTEC may terminate this Contract for its convenience in whole or, from time to time, in part in accordance with the Clause entitled "Termination for Convenience of the Government" set forth in FAR 52.249-2, in effect on the date of this Contract, which Clause is incorporated herein by this reference, except Paragraphs (c) and (i). Further the period for submitting the subcontractor's termination settlement proposal is reduced to six (6) months and for requesting an equitable adjustment to forty-five (45) days. In the referenced Clause "Contractor" shall mean Seller and "Government" and "Contracting Officer" shall mean ALLTEC. If this Contract is not issued under a Government prime contract, subcontract, or Government Management Risk Contract fundings the "record keeping" requirement of said Clause shall be deemed deleted.

a. ALLTEC may terminate the whole or any part of this Contract in any of the following circumstances:

(1) If Seller fails to deliver the goods or to perform the services required by this Contract within the time specified herein, or any extension thereof granted by ALLTEC in writing; or

(2) If Seller fails to perform any of the other provisions of this Contract or so fails to make progress as to endanger performance of this Contract in accordance with its terms, and in either of these two (2) circumstances does not cure such failure within a period of ten (10) days after receipt of notice from ALLTEC specifying such failure; or

(3) In the event of suspension of Seller's business, insolvency, institution of bankruptcy, liquidation proceedings by or against Seller, appointment of a trustee or receiver for Seller's property or business, or any assignment, reorganization or arrangement by Seller for the benefit of creditors.

b. Payment for completed goods delivered to and accepted by ALLTEC shall be at the contract price. Payment for manufactured materials delivered to and accepted by ALLTEC and for the protection and preservation of property shall be at a price determined in the same manner as provided in Article 8 hereof, except that Seller shall not be entitled to profit. ALLTEC may withhold from Seller monies otherwise due Seller for completed goods and/or manufacturing materials in such amounts as ALLTEC determines necessary to protect ALLTEC against loss due to outstanding liens or claims against said goods.

## **10. ALLTEC PROPERTY**

Seller shall keep all property furnished by ALLTEC and all property to which ALLTEC acquires title by virtue of this Contract segregated and clearly marked and will maintain a complete inventory thereof. Seller assumes all risk of loss, destruction or damage to such property while in Seller's custody or control. Seller will immediately notify ALLTEC's Purchasing Representative in writing of any such loss, destruction or damage. Except for property incorporated in delivered end products, Seller will, upon termination or completion of this Contract, deliver such property, as directed by ALLTEC, in good condition subject to ordinary wear and tear and normal manufacturing losses.

## **11. NONDISCLOSURE; TECHNICAL DATA FOR CERTIFICATION, SIMULATION, TRAINING, OR INTERFACE**

- a. The information contained in reports, drawings, documents, or other records which are furnished to Seller by ALLTEC shall not be disclosed by Seller to others and shall not be used for purposes other than the performance of this Contract without ALLTEC's written consent.
- b. The information furnished to ALLTEC by Seller in reports, drawings, documents, or other records shall not be disclosed by ALLTEC to others except as provided herein and shall not otherwise be used for purposes other than the performance of this Contract without Seller's written consent.
- c. Each party will recognize the other party's restrictive markings and impose such restrictions upon third parties, provided that such markings purporting to cover information already within a recipient's knowledge or which is obtainable from another source without restrictions or which for any reason is not protectable by law shall not be binding upon the recipient.
- d. Upon request, Seller shall provide ALLTEC at no additional charge, such existing technical data pertaining to Seller's Product as ALLTEC deems necessary for certification, training, simulation, or interface purposes. In support of those purposes only, ALLTEC may furnish such Seller data to third parties, in which case ALLTEC will impose Seller's restrictive markings (if any) in accordance with Subparagraph c, above. In the alternative and upon ALLTEC's request, Seller shall provide such data directly to ALLTEC-designated third parties also at no extra charge.
- e. Nothing in this provision shall limit either party's right to enter into data exchange agreements with each other or third-party recipients of the data to ensure further protection of a party's proprietary interests in such technical data. Nothing in this provision shall limit Seller's right to compensation in the event that necessary data must be created to support the certification, training, simulation, or interface technical objective.
- f. Nothing herein shall interfere with the rights of the U.S. Government as set forth in FAR 52.227-14 or DFARS 252.227-7013 where either of these provisions is included in the prime contract under which this order is issued.
- g. Seller shall include this provision, exclusive of Paragraph b, in all of its lower-tier subcontracts issued in support of this Contract, and this provision shall have precedence over any other provisions herein relating to the transfer of Seller's technical data.

## **12. EXPORT LICENSING INFORMATION/OFFSHORE PROCUREMENT**

a. Upon the request of ALLTEC's Purchasing Representative and without additional cost, Seller shall provide such information as may be necessary to support ALLTEC's application for export license(s) covering any items ordered hereunder.

b. This Contract may contain defense related technical data. ALLTEC has obtained, or will obtain, the approval of the U.S. Government to furnish to Seller the data, and any other items hereunder requiring such approval, which are necessary for Seller to perform this Contract. U.S. Government approval is based upon the following International Traffic in Arms Regulations (ITAR) requirements (Reference 22 CFR, Sub-chapter M) with which Seller agrees to comply:

(1) Seller shall use the technical data furnished by ALLTEC only in the manufacture of defense articles in accordance with this Contract.

(2) Seller shall not disclose or provide technical data furnished by ALLTEC to any person except authorized U.S. citizen, intending citizen, permanent resident alien (immigrant alien) employees and qualified subcontractors which require the data in performance of the subcontracts.

(3) Seller shall not disclose or provide technical data furnished by ALLTEC to any foreign person either in the U.S. or abroad unless obtaining prior authorization directly from the U.S. Department of State Office of Defense Trade Controls (ODTC). ITAR defines a "foreign person" as any person who is not a U.S. citizen, immigrant alien (green card holder), or an intending citizen, and foreign corporation (corporation not incorporated in the U.S.), international organization, foreign government, and any agency or subdivision of foreign governments (i.e., diplomatic mission).

(4) Seller shall not acquire any rights in the data furnished by ALLTEC except to use it in the performance of this Contract. Seller also shall not convey to its qualified subcontractors any greater rights in the data than Seller has. Seller's qualified subcontractors shall only have the right to use the data as required in performance of their subcontracts.

(5) Seller shall deliver the defense articles manufactured in accordance with this Contract only to ALLTEC or to the U.S. Government.

(6) Upon completion or termination of this Contract, Seller shall destroy or return to ALLTEC all technical data furnished to Seller by ALLTEC pursuant to this Contract. At ALLTEC's election, ALLTEC may direct Seller to return or destroy the data and may require Seller to certify in writing that Seller has complied.

(7) Seller shall impose these requirements, (1) through (6), suitably revised to identify the parties properly, on all its subcontractors to which Seller intends to furnish technical data provided by ALLTEC for use by the subcontractors in performance of the subcontracts.

### **13. SUBCONTRACTING**

Seller will not subcontract without ALLTEC's prior written consent for the design, development or procurement of the whole or any substantial portion of any goods ordered hereunder. This limitation shall not apply to Seller's purchases of standard commercial supplies or raw material.

### **14. SUSPENSION OF WORK**

ALLTEC's Purchasing Representative may, by written order, suspend all or part of the work to be performed under this Contract for any period not to exceed ninety (90) days. Within such period, or any extension thereof to which the parties may agree, ALLTEC shall either: (a) cancel such suspension; or (b) terminate the work covered by suspension in accordance with Article 8 or Article 9 hereof. Seller shall resume work whenever a suspension is cancelled or expires. An equitable adjustment shall be made in the delivery schedule or contract price, or both, if: (a) the suspension results in a change in Seller's cost of performance or ability to meet the contract delivery schedule; and (b) Seller asserts a claim for adjustment within thirty (30) days after the end of the period of suspension.

### **15. NOTICES**

a. Whenever Seller has knowledge that any actual or potential labor dispute is delaying or threatens to delay the timely performance of this Contract, Seller shall immediately give notice thereof, and all relevant information with respect thereto, and shall notify ALLTEC of any material changes in the information required hereunder. Seller agrees to insert the substance of this article in any subcontract hereunder wherein a labor dispute may delay the timely performance of this Contract.

b. Any notice submitted by Seller, unless otherwise specified within this Contract, shall be in writing and directed to the ALLTEC Purchasing Representative indicated on the face of the Purchase Order/Contract.

## **16. DISPUTES**

a. Pending the final resolution of any dispute involving this Contract, Seller agrees to proceed with performance of this Contract, including the delivery of goods, in accordance with ALLTEC's instructions.

b. Seller shall submit to ALLTEC's authorized Purchasing Representative a written demand for ALLTEC's final decision regarding the disposition of any dispute between the parties relating to this Contract, unless ALLTEC, on its own initiative, has already rendered such a final decision. Seller's written demand shall be fully supported by factual information, and if such demand involves a cost adjustment to the contract it shall include a signed writing submitted by a senior company official containing the following certification statement:

"I certify that the written demand is made in good faith, that the supporting data are accurate and complete to the best of my knowledge and belief; and that the amount requested accurately reflects the contract adjustment for which ( Seller) believes ALLTEC is liable."

c. Any ALLTEC final decision shall be expressly identified as such, shall be in writing, and shall be signed by ALLTEC's authorized Purchasing Representative, except that ALLTEC's failure to render a final decision within ninety (90) days after receipt of Seller's demand shall be deemed a final decision adverse to Seller's contentions. ALLTEC's final decision shall be conclusive and binding regarding the dispute unless Seller commences an action to contest such decision within ninety (90) days following the date of the final decision or one (1) year following the accrual of the cause of action, whichever is later.

d. Seller shall agree to Arbitration and cooperate fully with ALLTEC in seeking a resolution of any dispute involving this Contract under the disputes procedure applicable to the Government prime or higher-tier contract and if ALLTEC elects to follow such procedures Seller shall not be entitled to demand a final decision under Paragraph b. above until such resolution. Seller shall be bound by the final outcome of the disputes procedure if: (1) ALLTEC has afforded Seller an opportunity to participate in ALLTEC's conduct of the dispute or (2) ALLTEC, having decided to discontinue its own processing of the dispute, has afforded Seller an opportunity to assume the processing of the dispute in ALLTEC's name.

e. ALLTEC and Seller shall bear their own costs of processing the dispute.

f. Except with respect to security matters, which shall be governed by applicable security regulations, both parties agree that the Government will not be an indispensable party to the resolution of any dispute arising under any Order issued under a Government contract.

## **17. WAIVER AND SEVERABILITY**

Any action or inaction by ALLTEC or the failure of ALLTEC, on any occasion, to enforce any right or provision of this Contract shall not be construed to be a waiver by ALLTEC of its rights hereunder, and shall not prevent ALLTEC from enforcing such provision or right on any future occasion. A determination that any portion of this Contract is unenforceable or invalid shall not affect the enforceability or validity of any of the remaining portions of this Contract.

## **18. RIGHTS AND REMEDIES**

The rights and remedies of ALLTEC herein are cumulative, and are in addition to any other rights or remedies that ALLTEC may have at law or in equity.

## **19. PRECEDENCE**

In the event of any inconsistency between the articles, attachments, specifications or provisions which constitute this Contract, the following order of precedence shall apply: (a) special terms and conditions; (b) general terms and conditions contained within the Contract and these terms and conditions (c) specifications; and (d) all other attachments incorporated herein by reference. ALLTEC's specifications shall prevail over any subsidiary documents referenced therein. Seller shall not use any specification in lieu of those contained in this Contract without written consent of ALLTEC's authorized Purchasing Representative.

## **20. COMPLIANCE WITH AND APPLICABILITY OF LAWS**

a. Federal, State and Local Laws. Seller warrants that in the performance of this Contract, it shall comply with all applicable Federal, State and Local Laws, in addition to any specifically noted within this Contract.

(1) Federal Labor Standards Act. On its invoice or in other form satisfactory to ALLTEC, Seller shall submit certification that the products covered by this Contract were produced in compliance with all applicable requirements of Sections 6, 7 and 12 of the Fair Labor Standards Act (29 U.S.C. 201-209), as amended, and of regulations and orders of the U.S. Department of Labor issued under Section 14 thereof.

b. Applicable Law. If the contract requires performance under a Government or Government Management Risk contract funding, the rights and duties of the parties arising from or relating to the contract shall be governed by and be construed and interpreted in accordance with the law, custom and usage applicable to U.S. Government contracts and subcontracts, as enunciated by federal judicial bodies, boards of contract appeals, and quasi-judicial agencies of the federal government. To the extent that the foregoing is not dispositive or this is a commercial contract (or portions therein are commercial), said contract rights, and duties shall be governed by and be construed and interpreted in accordance with the law of the state in which the ALLTEC Purchasing Department placing this Contract is located, regardless of the location of execution or performance of this Contract.

c. If any provision herein is or becomes void or unenforceable by force or operation of law, all other provisions shall remain valid and enforceable.

## **21. INDEMNIFY AND HOLD HARMLESS**

a. Patent Trademark and Copyright Indemnity Seller agrees to indemnify and hold harmless ALLTEC, its customers and users of its products, against any expense, loss or liability for any actual or alleged infringement of any patent, trademark or copyright, arising from or related to the use, sale, manufacture or disposal of the goods furnished to ALLTEC under this Contract. Upon receipt of timely notice of any claim or suit alleging such infringement, Seller agrees to defend ALLTEC, its customers and users of its products, or any of them, at Seller's expense.

b. Seller shall also indemnify, defend and hold harmless ALLTEC from and against all losses, costs, fees and damages arising, directly or indirectly, from any actual or alleged failure by Seller to comply with any of the statutes, rules, regulations and orders herein.

c. The obligations which FAR Clauses 52.215-24 and/or the Prime Contract required of ALLTEC are also required of Seller. In addition to any other remedies provided by law or under this PO/Contract, if ALLTEC is subjected to any liability resulting from Seller's (or its lower-tier subcontractor's) failure to comply with the aforementioned FAR Clauses, Seller agrees to indemnify and hold ALLTEC harmless to the full extent of any loss, damage or expense resulting from such failure.

## **22. PRICE WARRANTY**

Seller warrants that the price of the goods and services to be furnished to ALLTEC under this Contract do not exceed the price charged by Seller to any other customer purchasing the same goods and services in like or smaller quantities and under similar conditions of purchase.

## **23. UTILIZATION OF SMALL BUSINESS, WOMEN-OWNED BUSINESS AND SMALL DISADVANTAGED BUSINESS CONCERNS**

In support of Government policy and consistent with its obligations under contracts issued under Government contracts, Seller agrees to accomplish the maximum amount of subcontracting to small business, women-owned business and small disadvantaged business concerns and to use its best efforts to place subcontracts in areas of persistent or substantial labor surplus, where this can be done consistent with the efficient performance of this Contract and at prices no higher than are available elsewhere.

## **24. MATERIALS FURNISHED AND PROPERTY RIGHTS**

a. If ALLTEC furnishes any material for fabrication hereunder, Seller agrees: (1) not to substitute any other material in such fabrication without ALLTEC's written consent; (2) that title to such materials shall not be affected by incorporation in or attachment to any other property; and (3) that all such material or replacement material furnished at ALLTEC's expense will be returned in the form of products (except that which become normal industrial waste) or unused material. Seller shall inspect any such material furnished by ALLTEC and shall have the right to reject nonconforming material upon inspection. Inaccuracies, out of tolerance conditions or inadequacies in materials which are accepted by Seller shall not excuse performance in strict accordance with the applicable specifications.

b. Seller agrees that it will use all designs, tools, patterns, drawings, specifications, other information and equipment, title to which is in ALLTEC, only in the performance of this Contract and not otherwise, unless ALLTEC's prior written consent has been obtained. The foregoing shall not be construed as limiting the right of Seller to use such items in the manufacture of end products for direct sale to the Government to the extent that the Government has the right under a contract with ALLTEC, or otherwise, to authorize such use by Seller; provided that such use will not interfere with Seller's performance of this or other contracts from ALLTEC relating to Government contracts in effect at the time Seller enters into direct sale to the Government, that Seller furnishes prior written notice to ALLTEC of such intended use, and, to the extent practicable, Seller prominently identifies each such end product as being manufactured by Seller for direct sale to the Government. Seller's performance in strict accordance with the specifications shall not be excused by reason of any inaccuracy in tools or fixtures furnished by ALLTEC.

## **25. CITIZENSHIP REQUIREMENTS**

a. Employees of Seller who perform services under this Contract on the premises of ALLTEC shall be citizens of the United States of America (U.S.A.), its possessions or territories, in instances when the performance of such services requires Secret or Top Secret security classifications. If any employee of Seller who performs services on ALLTEC premises under this Contract is not a citizen of the U.S., its possessions or territories, and the performance of such services requires a Company Confidential security classification, Seller shall contact the cognizant ALLTEC Purchasing Representative prior to allowing said employee to perform such services. Following necessary coordination within ALLTEC, the ALLTEC Purchasing Representative shall provide specific instructions to Seller. When the performance of work on ALLTEC premises does not require a security clearance above, Seller shall bear exclusive responsibility for providing employees who are qualified under the Immigration Reform and Control Act ("IRCA") and who have completed an I-9 Form.

b. Upon the request of ALLTEC, Seller shall submit proof of citizenship or employment eligibility status to ALLTEC for each employee covered by Subparagraph a. who shall perform services under this Contract on the premises of ALLTEC. Examples of documents that may be considered satisfactory are state birth certificates, U.S. passports, U.S. naturalization papers, and green cards issued by the U.S. Department of Immigration and Naturalization. Consistent with IRCA, the order of presentment of such documents shall be the sole prerogative of Seller's employees. If these documents are not available, a compilation of other evidence may suffice. Upon acceptance of proof of citizenship or employment eligibility, ALLTEC may issue identification badges or cards to employees of Seller.

c. Should Seller fail to comply with this Clause, ALLTEC may, at its option, terminate this Contract for default in accordance with Article 9 hereof. An example of such failure would be the submittal of falsified proof of citizenship or employment eligibility.

## **26. SPECIAL TOOLING**

Unless otherwise specified in this Contract, the price includes the cost of gauges, jigs, fixtures, dies, molds, tools, patterns, and similar items of special tooling that may be manufactured or acquired by Seller for use in the manufacture, fabrication, or assembly of the goods called for herein, and unless FAR 52.245-17 is applicable to this Contract, or otherwise specified herein, title to such special tooling will remain in Seller.

## **27. NEW ITEMS OF MANUFACTURE**

In the event (a) there are any new features of design incorporated in any goods made under this Contract as a result of Seller's compliance with the drawings or specifications of ALLTEC; (b) development cost for such features is being charged by Seller to ALLTEC; and (c) the goods to be made hereunder are not merely a slight modification of goods with respect to which Seller already possesses patent rights, then Seller grants to ALLTEC the right to make or have made all such goods, together with a royalty-free, nonexclusive, irrevocable license under any U.S. patent covering such new features of design. If in connection with this Contract, the Government funds directly or indirectly the monies paid to Seller for development costs, ALLTEC shall have no right to make or have made the goods for which the Government funded the development.

## **28. ASSIGNMENT**

Except as hereinafter provided, neither this Contract nor any duty, right or interest therein may be delegated, assigned, or otherwise transferred in any manner by Seller without the prior written consent of ALLTEC, and any effort to the contrary shall be void. Either party may, upon notice to the other, assign this Contract to any person, firm or corporation with which such party may merge or consolidate or to which such party may assign substantially all of its assets, and either party may assign claims for monies due or to become due hereunder to any bank, trust company or other financial institution, including any Government lending agency. The assigning party shall furnish the other party with two (2) signed copies of any such assignment.

## **29. PACKING**

All items are to be packed in suitable containers for protection in shipment and storage, and in accordance with applicable specifications. Each container of a multiple container shipment shall be identified (a) to show the number of the container and the total number of containers in the shipment, and (b) the number of the container in which the packing sheet has been enclosed. All shipments by Seller or its subcontractors must include packing sheets containing ALLTEC's Contract number, quantity, part number/size, description of the items shipped, and appropriate evidence of inspection. Materials for different contracts shall be listed on separate packing sheets.

## **30. SHIPPING INSTRUCTIONS**

Shipments must be made as specified on the face of the Contract, except as subsequently modified in writing by ALLTEC or otherwise directed in writing by ALLTEC's Shipping Department. Originals of all bills of lading and express receipts shall be mailed to the Shipping Department of ALLTEC's consignee division.

### **31. CLEARANCE OF MATERIALS INTENDED FOR PUBLIC RELEASE**

Seller shall issue no news release (including photographs and files), public announcement, advertisement, denial, or confirmation concerning all or any part of the subject matter of this Contract or any phase of any program hereunder without the prior written approval of ALLTEC.

### **32. OFFSET/CO-PRODUCTION**

a. Seller shall use its best efforts to cooperate with ALLTEC in the fulfillment of any offset program obligation that ALLTEC may have accepted as a condition of the sale of an ALLTEC product to a foreign nation.

b. ALLTEC expressly reserves the right to all "offset" credits resulting from co-production or other similar obligations entered into between Seller and foreign sources of any goods or services in support of the procurement hereunder. Seller may not, therefore, procure or offer to procure any goods or services ordered hereunder from any foreign source without the prior written approval of ALLTEC. Seller may not, therefore, enter into such procurements from foreign sources to support ALLTEC future requirements without ALLTEC's prior written approval.

c. While ALLTEC's approval under the foregoing Paragraph may not be unreasonably withheld, Seller may be required to complete and file all necessary documentation in order to effect the passing through of offset credits to ALLTEC as a condition precedent to such approval.

d. Any data to be provided to a foreign source shall be coordinated with ALLTEC in advance to ensure that any necessary export licenses are obtained prior to transfer of such data.
